

Restlet Wiki Site

What is this?

This environment allows you together with the other Documentation Authors to work together on providing documentation for the Restlet project.

Completed documentation efforts are eventually published in [book format](#)¹.

How can I participate?

1. [Self-register](#)² to this system.
2. Send a mail to wiki@restlet.tigris.org³ (first, you'll need to [register](#)⁴) and ask to be added as a 'Docs Author'
3. Login again, after that karma has been granted and choose some 'Actions' from the menu.
 - Info in the section [Tips & Tricks](#)⁵ are bound to help you further.
